#### WEAK, NERVOUS WOMEN

Need More Iron In Their Blood

Thin, impoverished blood results in run-down, anaemic, nervous condi-tions. Mrs. Martha Sickles of Woos tions. Mrs. Martha Sickles of Wooster, Ohlo, was in this condition and at our request tells here how she recovered. She says, "I suffered from a weak, run-down, nervous condition as a result of the grip, so I could hardly drag around and do my work. My doctor had given me the best tonic he had, but without any effect. Vinoi made me strong and well. I have a good appetite and can do all my housework. I wish every weak. The tobacco crop in Connecticut valley. housework. I wish every weak, rous woman would try Vinol."

A raise in the rates for gas goes into
effect on Aug. 1, having been announced
of \$4.75 with freight from \$3.30 to \$3.55
t mosth ago, but there had been no with good prospects for an increase in

Gas Department Costs.

In connection with the raise in gas rates due to increased cost of labor and materials, the gas office produced figures on Friday showing that if the same amount of coke and oil used now as formerly for making gas, the increase in the price of these items during the past three matters. three months makes an additional cost of 44.10 cents per thousand for every thousand ubic feet of gas made.

This is shown through the fact kat during the year ending April 20, 1920, the gas department used 244.716 gallons of gas oil, an average of 28.726 gallons per month, costing as, f. www. From May.

month, costing as f ows. From May, 1019, to February 1. , inclusive, 6 1-4 cents per gallon; March and April, 1929, 8 2-4 cents per gallon; May, 1920, 13 ents per gallon. They are now paying cents per gallon. They are now paying 14 cents per gallon.

They have used 3,735,410 pounds or 1.867 net tons of coke, an average of 155 net tons per month, costing as follows: From May to August. 1519, inclusive, \$6.50 net ton; from September, 1919, to \$6.50 net ton: from September: 1919, to March, 1920, inclusive, \$7.20 per net ton. Since March the department has paid from \$12 to \$16 per net ton, and is new paying on contract \$15 per net ton. It manufactured during the year ending April 20, 1920, 98.745,000 cubic feet of

gas, using an average of 3.58 gallons of oil and 38.61 pounds of coke per thouand cubic feet. Gas journals show that other places given by the following figures of the electric devarrance of the electric devarrance of the electric devarrance employes not including the Micers:

May 6, 1915, 10 men, \$26.25 per day.

June 25, 1917, 14 men, \$38.50 per day.

#### DANBURY FOR MEETING OF BEPUBLICAN STATE CENTRAL

The republican state central comm nesday for its annual meeting. National Committeeman J. Henry Poraback, of Canaan, is chairman of the committee and he will preside at the meeting. This is the first time that the state central committee has met in Dan-

bury.

The meeting will be held at one o' clock in the Republican club rooms and it is expected that the entire member-ship of thirty-five will attend. Plans for the coming state and national cam-paign will be mapped out and dates for party primaries and caucuses will be

sea.

At the close of the meeting the members of the committee will go to the Pair Grounds to attend the Merrit Day dinner and speechmaking. Each Inember is to take along a delegation from his tome town to the celebration to hel-augment the size and state-wide im-portance of the gathering.

### VICTIM OF SHOOTING HAS

CHANCE FOR RECOVERY Unless infection sets in Mrs. William Brown, who is a patient at the hospital in New London suffering from two bullet wounds, inflicted Tuesday night when she was shot down by her husband at their home in Westerly, has a chance for recovery. She has been holding har own since the shooting and her condition has less quite

encouraging although it # still critical.

The liquor which brown drank and with which he was crazed when he did the shooting has been clasified as Ja-maics ginger by analysis and not whiskey as was at first supposed. Since Jamaica ginger is put up in abou Miss 99 per cent alcohol, it th Se-makes a "crazy" drunk

## CUMMINGS NOT SEEKING TO

RUN AGAINST BRANDEGEE owing the furning over ters of the democratic national committee in New York by the deposed chairman, Homer S. Cummings, of Stamford, to the newcomer, George White, the Stamford

man consented to an interview upon the matter of his making the senatorial contest against U.S. Senator Frank E. Brandegee of New London. He said:
"I would be rejuctant to run for senator, as has been suggested. However, if that would be the best thing for the light. I would consent. I do not want ticket, I would consent. I do not want political office, and my sole desire is to help Governor Cox. If I can do this bet-ter by running for senator than going or

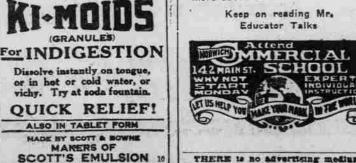

# the stump, I would consider it.

POSTOFFICE WARNING ON SUGAR SALE PARIR Age-Herald. Connecticut postoffices have been noti-fied by Hal B. Mosby, inspector in charge of the postoffice department, Boston, to be on the watch for a fake sugar advertiser. The fakir's scheme is to insert advertisements to the effect that he has sugar for sale and that anyone may retelve from 20 to 100 pounds up by writing to him, enclosing clieck or money order for the amount of sugar desired. His rice was 25 cents per pound.
